Kitsons Thermal Supplies...

the local 'One Stop Shop' for Asbestos Protection and Removal

Kitsons 
THERMAL SUPPLIES

an  company

With **health & safety** paramount in today's complex market, you need an asbestos removal and protection specialist who can offer the best service...

The asbestos removal market has become a minefield of legislation and possible litigation over the last few years. More than ever, you need a supplier who has the experience and technical expertise to give you the right advice on products and applications, backed by unparalleled levels of service and delivery.

We make safe asbestos removal easier for you...

Kitsons Thermal Supplies is the acknowledged market leader in the UK for industrial insulation distribution. With over 20 years of experience in asbestos removal backed with membership of ARCA, so you can be confident of our expertise.

Our extensive range of asbestos removal supplies, including the hire and sale of capital equipment, consumables and accessories, is tried and tested. We provide a complete service that gives optimum safety in asbestos removal, together with the replacement of insulation and fire protection materials.

Excellence in service with ex-stock delivery...

Our unique 'one stop shop' and national distribution network provides a local service when you need it, where you need it.

With a fleet of specialist delivery vehicles, including Hiab and Moffet Mountry offloading and a dedicated computer network working together giving effective logistic support; we ensure prompt delivery of your products. We offer professional and efficient scheduling from despatch that greatly reduces the risk of accidental damage or theft.

Not just asbestos protection and removal...

Kitsons Thermal Supplies is recognised as the leader in providing solutions for industrial thermal insulation products nationally. With a network of branches stocking leading brand names in structural and industrial thermal insulation and fire protection, covering every application. Other product areas include dry lining and partitioning, plus an extensive range of building ancillaries, giving a complete service.

The local 'One Stop Shop' offering a comprehensive asbestos safety products service

Kitsons Thermal Supplies – members of ARCA and the UK market leaders with over 20 years experience of asbestos removal.

Kitsons Thermal Supplies – for the specialist sales and hire of asbestos removal capital equipment from nationally recognised brands:

- Decontamination Units. All offered are built to exceed the requirements of the Asbestos Removal Regulations, from single, standard twin to four configuration compact shower units. Contact your local branch for full details.
